Strengthening India's Infrastructure

Investor Presentation | May 2025

Safe harbor

This presentation and the accompanying slides (the "Presentation"), which have been prepared by **Shyam Metalics And Energy Limited** (the "Company'), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

Certain matters discussed in this Presentation may contain statements regarding the Company's market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the industry in India and world-wide, competition, the company's ability to successfully implement its strategy, the Company's future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cashflows, the Company's market preferences and its exposure to market risks, as well as other risks. The Company's actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company and the Company is not responsible for such third-party statements and projections.

All Maps used in the presentation are not to scale. All data, information, and maps are provided "as is" without warranty or any representation of accuracy, Process or completeness

Our track record

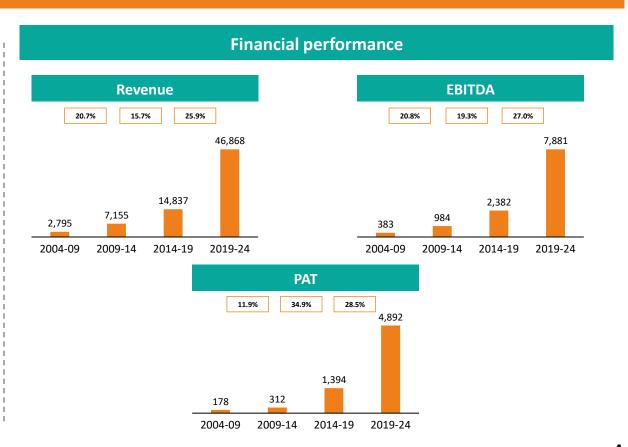

- Our promoters have infused an amount of Rs. 136 Crores into the company through equity contributions. Already successfully completed an Offer for Sale (OFS) of Rs. 1,000 Crores in three tranches. Received over Rs. 1,400 crores through OFS and dividend and they still hold a 74.59% of the company, representing a market capitalization of Rs, 17,891 crores attributable to the promoters
- We aspire to create a Warren Buffet-style investment strategy within the metallurgy sector. Notably, we are the only multi-metal company to have remained consistently PAT-positive since inception, maintaining profitability for over two decades

A breakup of cumulative five-year performance is as follows

| Particulars | 2004-2009 | 2009-14 | 2014-19 | 2019-24 |
|-------------|-----------|---------|---------|---------|
| Revenue | 2,795 | 7,155 | 14,837 | 46,868 |
| EBIDTA | 383 | 984 | 2382 | 7881 |
| EBIDTA % | 13.7% | 13.8% | 16.1% | 16.8% |
| PAT | 178 | 312 | 1,394 | 4892 |
| PAT % | 6.4% | 4.4% | 9.4% | 10.4% |

- Our Revenues have grown at CAGR of 24%
- Similarly, our EBITDA and PAT has grown at CAGR of 31% and 31% respectively

Tenets followed at Shyam Metalics

Capital allocation follows a disciplined 70:20:10 principle: 70% towards growth, 20% reserved for liquidity and 10% allocated to dividends

Shyam Metalics at a glance

6th Largest Integrated Steel Producer & amongst the largest Ferro Alloys producer in India 4th Largest Sponge Iron Player, Leading player in terms of Pellet Capacity

Integrated Metal Producing Company

Operates "Ore to Metal" integrated steel plants with Captive Railway Siding

Strategically located plants with Proximity to Mineral Belts, National Highways and Ports

15% Revenue growth in FY25

PAT Positive since commencement of operations in 2005

Cash positive in FY25 at Rs. 1,062 crores

15.13 MTPA

Combined Production Capacity

~83% of power

sourced from Captive in FY25

83% of power sourced from Captive Power Plants at Rs. 2.43 /Kwh in FY25, while Avg Power costs including Grid Power at Rs. 3.03/Kwh

- An accomplished business leader and a firstgeneration entrepreneur having more than 50 Years of experience in steel & ferro alloys industries
- He has the foresight to lead the Company on a transformational journey and contributing significantly in growth path of the company
- A visionary Business leader and a guiding force for the company having over three decades of experience in the steel and ferro alloys industry
- Primarily responsible for strategic planning, future expansion, business development, marketing, human resources and corporate affairs
- Holds a bachelor's degree in commerce, with honours, from University of Kolkata with over 18 years of vast experience in the steel & ferro alloys industry
- Primarily responsible for the Operations / manufacturing of the plants with focus on cost control, production efficiency, competitive procurement of raw materials etc
- He is an Associate member of the Institute of Company Secretary of India
- He is a techno commercial professional and possessing more than 20 years of experience of steel and ferro alloys industries
- Bachelor of Science in Business Administration from D'Amore Mckim School of Business, Northeastern University
- Overlooks and spearheads strategy & Business
 Development at Shyam
 Metalics and Energy Limited
- He has over 23 years of experience in the steel and ferro alloys industry
- He is responsible for project implementation and operations of Sambalpur manufacturing plant

The Management Team is ably assisted by a very strong team of Professionals who have contributed immensely to the growth of the Company

- Associated with Shyam Metalics since 2023
- He holds a masters' in science degree in organic chemistry from University of North Bengal, Siliguri
- He is a retired IAS officer and retired on September 30, 2019, from the post of Chief Secretary, West Bengal

- Associated with the company since 2023
- He holds a B.Sc. from Patna University and a B.Sc. (Hons) in Mining Engineering from the Indian School of Mines, Dhanbad, Ranchi University
- Prior to joining Shyam Metalics & Energy Ltd, he was associated with Coal India Limited as Chairman

- He is a Fellow Member of the Institute of Company Secretaries of India, a Fellow Member of the Institute of Cost & Works Accountants of India
- He also holds a Bachelor's degree in Law and Legislature and Master's degree in Commerce and Business Administration
- Associated with the company since 2024

- He is registered as an advocate with the bar council of West Bengal since June 20, 1974
- He is currently a partner at Khaitan & Co
- Associated with the company since 2023

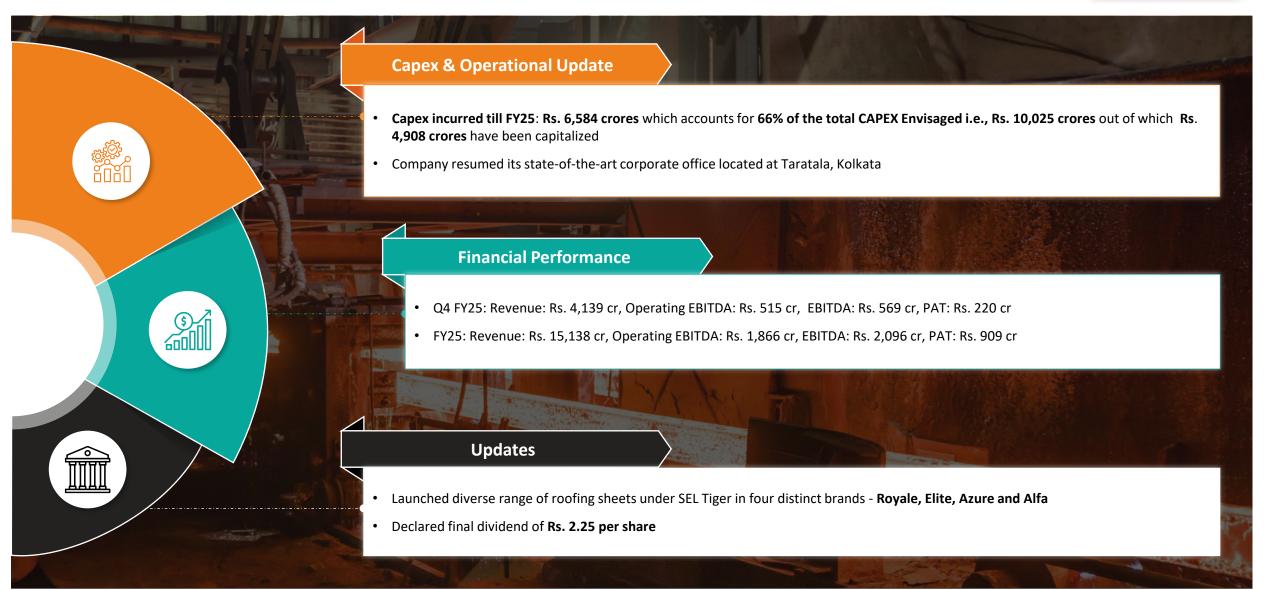

- Associated with the company since 2018
- He holds a bachelor's degree in commerce from University of Rajasthan
- He has been a fellow member of the Institute of Chartered Accountants of India for 38 years and holds a certificate of practice

- Associated with Shyam Metalics since 2021
- She holds a bachelor's degree from Calcutta University in Botany, and a master's degree in business administration from the West Bengal University of Technology
- She is also an associate of the Institute of Company Secretaries of India

The Management Team is ably assisted by a very strong team of Professionals who have contributed immensely to the growth of the Company

Key updates for Q4 FY25

Our new corporate office at Taratala, Kolkata

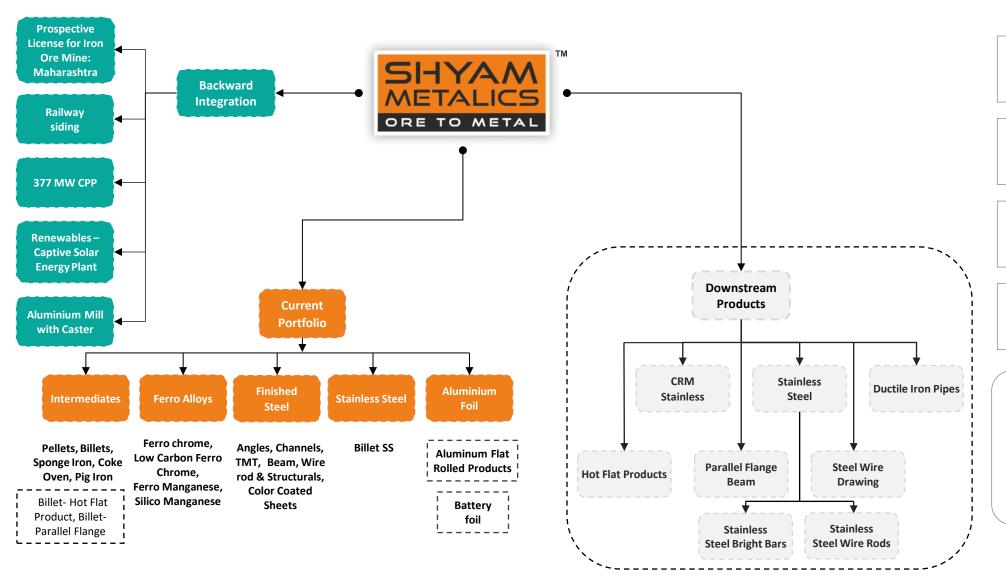

We are consolidating our offices into a single location at our Taratala corporate office, built on 3-acres of land surrounded by greenery and designed to maximize natural light, aligning with sustainability and energy efficiency norms.

Driving integration of multi-product metals portfolio

Multiple Sale Points across the Value Chain

Greater Control on Operating Margins

Flexibility to alter Product
Mix

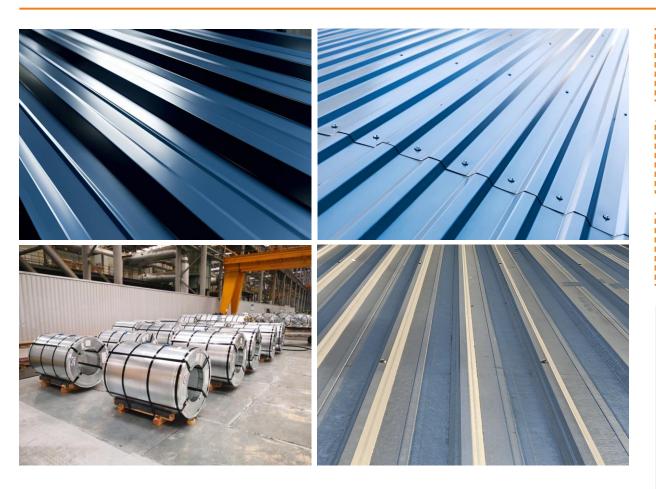

Focus on Quality

Objectives for Expansion:

- ✓ Foray into Newer Segments
- ✓ Increase Backward Integration
- ✓ Utilize cash generated from operations for growth

Business update: greenfield expansion - cold rolling mill

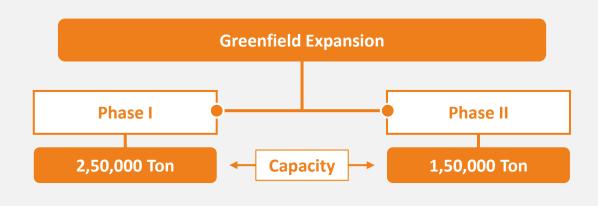

Greenfield project for a cold rolling mill spread over 55 acres of land at Jamuria, West Bengal

Project approved under the PLI scheme

Products will include GI/GL coils and PPGL (Pre-Painted Galvalume Coils)

Merger completed with Shyam Sel And Power Limited

Capex Incurred

Rs. 480 Cr

Capex Pending Rs. 123 Cr

Total Capex Rs. 603 Cr

FY25 update: Launched diverse range of roofing sheets under SEL Tiger in four distinct brands:

SEL Tiger ROYALE, SEL Tiger ELITE, SEL Tiger AZURE and SEL Tiger ALFA

Diversifying product portfolio with stainless steel through Mittal Corp

Mittal Corp Industries Overview

Leading Player in Stainless Steel Flats (200 series and 400 Series) in India

Paid acquisition cost of Rs. 351 cr.

2 Manufacturing units at Pithampur, Madhya Pradesh with ~17 Acres of land

Manufacturing plant is developed by Italian player

Danieli

0.15 MTPA Installed Capacity for finished stainless steel

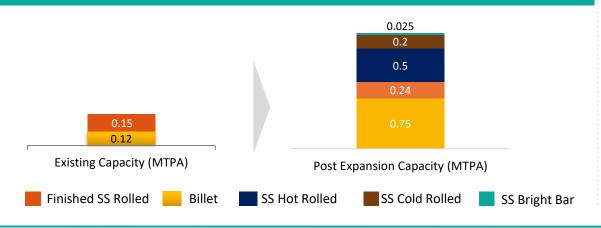

0.12 MTPA Installed Capacity for stainless steel billets

20 Tonne Induction Furnace

Capex Infusion in Mittal Corporation

Shyam Metalics has forayed into stainless steel through acquisition of Mittal Corp. Company is focussed on increasing its capacity and thereby market share in revenue and margin accretive products

Business Areas

GoI has issued circlular for use of stainless steel for construction of national highway Bridges and centrally sponsored projects in marine environment susceptible to sever corrosion

Series 300 Stainless Steel

Automotive, White Goods, Decorative

Stainless Steel Wire Rods & Bright Bars

Series 400
Stainless Steel

Construction

Aluminium foil plant

Aluminium Plant - Pakuria - West Bengal, Giridih - Jharkhand & upcoming plant in Odisha

One of the largest aluminium foil manufacturer in India, plant spread over 5 acres

Plant installed by Achenbach (Germany), an industry pioneer

Kickstarted and stabilised plant operations in record time

More than 60% of the production utilised for exports

Rolling range: 40 to 5 micron with annealing capability, customised as per demand

Majorly producing 6-10 micron rolled material

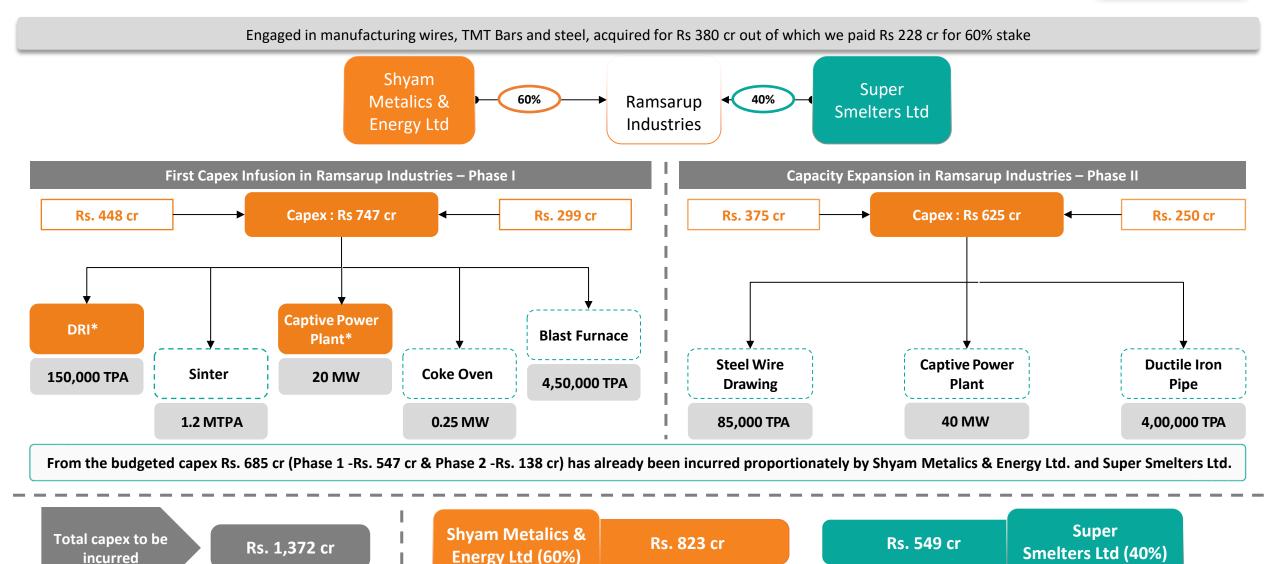

Backward
integration to
increase margins
and additional
capacities to
enhance
revenues

Announced Greenfield expansion of Aluminium Flat Rolled Products (0.06 MMTPA) and Brownfield expansion of Aluminium Foil (0.018 MMTPA) with investment of Rs. 700 cr

Largest Exporter of Aluminium Foil from India

Enhancing capacities in carbon steel through Ramsarup Industries

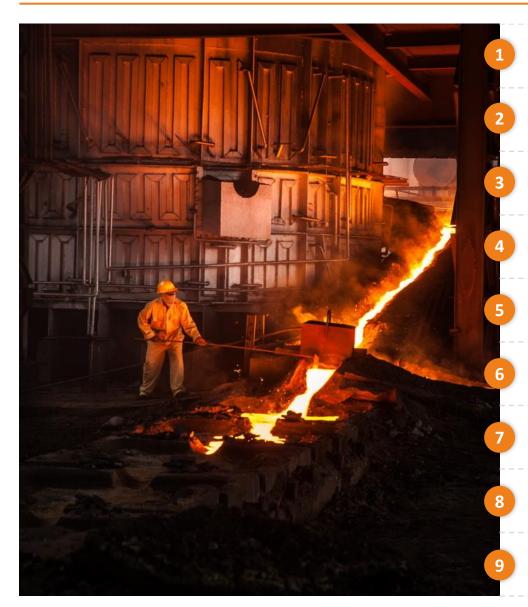

15

Value propositions

Backward Integration & Forward Integration with presence across the Value Chain

Diversified Product Mix: Scaling up stainless steel, aluminum foil and EV Battery Foil

Strong Brand & Distribution Network

Private Railway Sidings Advantage for Seamless Logistics

Captive Power for ~83% power requirement

Capacity Addition to increase share of High Margin B2C Products

De-Leveraged Balance Sheet giving flexibility in growth

Sustainable solution - Waste used as 'Productive Inputs'

Consistent Performance over the last decade

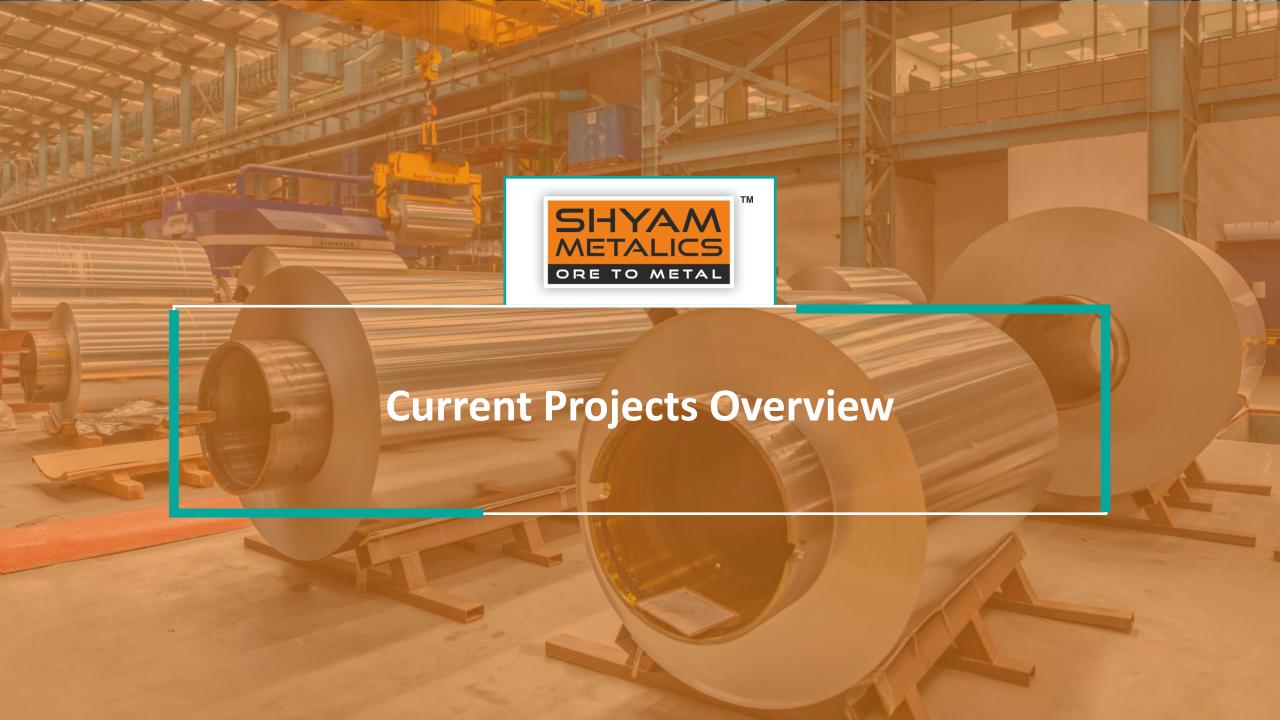

Expansion with strong focus on value added products

Integration has enabled greater control on the operating margins

Strategically located - supported by infrastructure (carbon steel)

Close Proximity to Raw Material

Strong Logistics
Infrastructure

Lower Logistics Cost

Proximity to ports enables Company to export products in a cost-efficient manner

- We have 7 state of the art manufacturing plants in West Bengal, Odisha and Madhya Pradesh
- 2 Aluminum foil manufacturing plants located West Bengal and Jharkhand
- These plants also include captive power plants supported by robust infrastructure including captive railway sidings.

Diversifying Geographical Base
70% of the products are sold within the vicinity of
500 kms from the plants

Brownfield expansion with... (carbon steel)

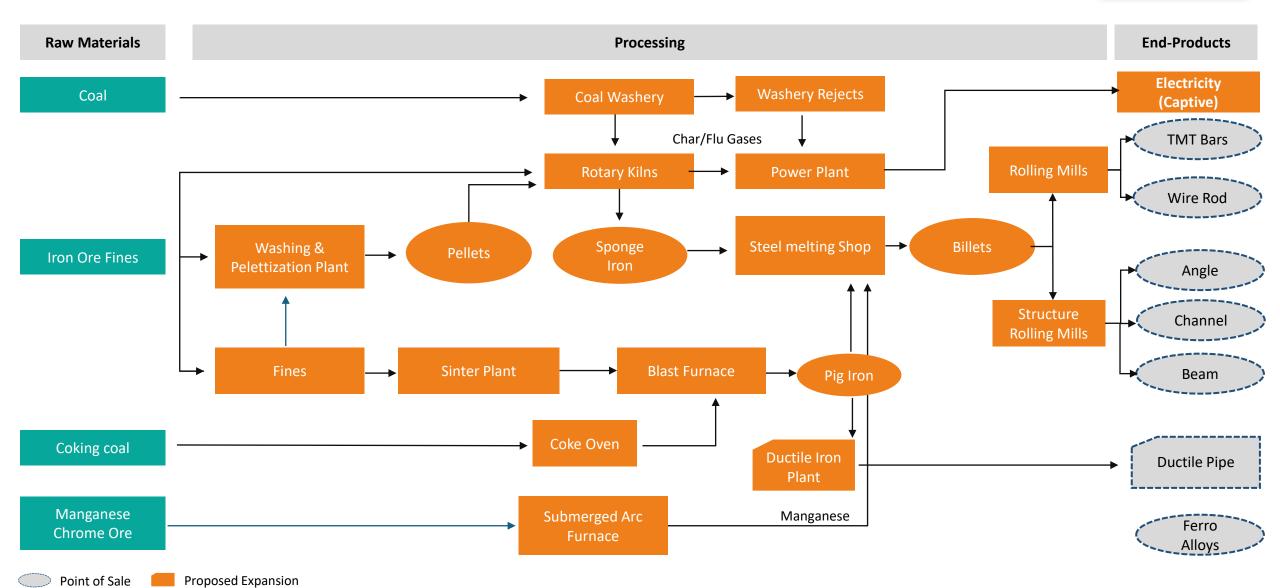

Railway Siding
Captive Power Plants
Captive Water Reservoir

- We have 1 manufacturing plant located in Sambalpur, Odisha and 1 manufacturing plant in Jamuria, West Bengal with aggregate installed capacity of 15.13 MTPA comprising of intermediate and final products.
- We also have a small plant in Mangalpur, West Bengal with aggregate installed capacity of 0.1 MTPA
- These plants also include captive power plants with an aggregate installed capacity of 467 MW

Brownfield expansion leading to Lowest Capex in the Industry

Integrated operations across the steel value chain

Detailed plant wise capacities - existing: carbon steel

Our strategy going forward

Shift Towards Value
Added Products
portfolio by identifying
different products in
same distribution
channel. Value added
products to contribute
80% in our revenue mix

Build market leading position in all 4 areas of the metal space: Steel, Stainless Steel, Ferro Alloys and Aluminium Foil Products

Geographical
Expansions in newer
states with focus on
branding and increased
margins

Continuously work on improving cost efficiency through implementation of technology in supply chain management and work on increasing ancillary and backward integration

Reducing Carbon
Footprint and focus on
sustainability

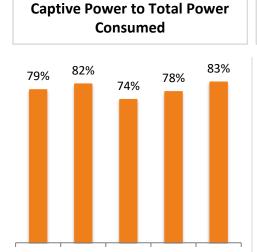

All strategies to be achieved without leveraging the balance sheet further

Energy cost through captive power: ~ 83%

- Power consumed by the plants are primarily produced in-house by the captive power plants
- Captive power plants utilise non fossil fuels such as waste, rejects, heat and gas generated from the operations to produce electricity
- Cost of in-house power is significantly less than grid power which costs INR
 5-7 Per Unit

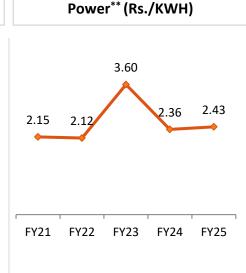

FY22 FY23

Post Expansion Capacity (MW)

Strengthening brand 'SEL Tiger'

TMT

TMT are used for the construction of buildings, transmission towers, industrial sheds, structures, road, dam and in other various infrastructures

SMEL sells the best quality TMT primarily in the states of West Bengal, Odisha, Bihar, Jharkhand, Tripura, Sikkim, Assam, Arunachal Pradesh, Manipur, Meghalaya, Uttarakhand, Uttar Pradesh, Punjab and Haryana. Our TMT and structural products are sold under the brand "SEL Tiger"

STRUCTURE

Structural steel describes hot rolled steel products such as angles, channels and beams. With an array of high-quality Structural products under the brand 'SEL Tiger', backed by world-class service and its other products, SMEL holds its pride of place among the leading steel manufacturers of the country and material directly from the DRHP

WIRE RODS

Towards forward integration, SMEL has set up high quality Wire Rod manufacturing & Wire Drawing facilities with best available technology and plant & machinery support

Since the raw materials are manufactured in-house at our plant, the company is able to produce high quality Wire Rod & H.B. Wires in an efficient & cost-effective manner

CR COIL/ CR SHEETS

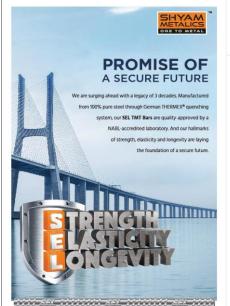

Offers diverse and high-quality range of cols-rolled steel products designed to meet the varied needs of construction and industrial sectors. Each product stands out due to its unique features, including premium coatings, advanced durability, and exclusive warranties. These products are crafted at our state-of-the-art Cold Rolling Mill to provide superior performance and value for customers.

ALUMINIUM FOIL (FOOD GRADE)

SEL Tiger Foil, a distinguished product line from Shyam Metalics, represents the perfect blend of strength, quality, and versatility in aluminium foil manufacturing. Designed to cater to the demanding needs of modern packaging, SEL Tiger Foil is synonymous with reliability and excellence, making it a preferred choice for consumers and industries alike.

CSR initiatives

SUSTAINABILITY

- Water Conservation- Check dam, Pond, landscaping, Plantation,
- Promotion of solar Light
- Solar irrigation Pumps
- Promotion of Organic Farming

RURAL HEALTH

- Yearly Eye & Medical Camp for Villagers, FREE Medicine & Spectacles
- Free Ambulance & Drinking water Services for villagers
- New Health Center & Homeopathy Clinic

SKILL DEVELOPMENT

- Running sewing center, computer training center - KALP VRIKSHA programme
- Alternate source of income via enterprise development, skill development

RURAL EDUCATION

- Free Coaching Center for Economic Backward Integration Section
- Computer Training Center at Dhasna village
- SHYAM Scholarship for Meritorious students of Economic Backward Integrations

SPORTS PROMOTION

- Football team of Shyam Sel & Power Limited
- Shoes & Kit distribution
- Play ground development

SOCIAL INFRASTRUCTURE DEVELOPMENT

- Temple
- Village Sanitation
- Village Handicrafts Skill development
- Gau Daan (Care for Animals)
